Membership Policy

Academic Year Fees & Payments

The Boys & Girls Clubs of Barron County membership is based on the academic year of September through August, with renewals beginning at the end of August each year. The fee is \$20 per member.

Throughout the school year, select Sites are open during teacher in-services and holiday breaks. Pre-registration fees are \$10 per day per member, and day-of registration is \$20 per member per day the member attends.

Summer Program Fees & Payments

Summer payments are to be made in full on Monday at the beginning of each week or the first day your member attends the Club for the week. Summer fees and the payment schedule are announced in early April of each year.

All Sites require a summer registration fee of \$15 per member. Members entering first grade are exempt from weekly fees. Members entering second through fourth grade are \$50 per week per member. Members entering fifth through eighth grade are \$10 per week per member.

Scholarships are available by request and require an additional form to be submitted for review. Scholarships are provided on a sliding scale for those who need them to ensure all Club members have a safe place to go after school and on non-school days.

Military Families

Military families (both active and veteran) will have their yearly membership fee waived but are still required to pay Summer Program fees if their child(ren) attends.

Priority Outcomes

The Boys & Girls Clubs of Barron County have the following priority outcome areas:

- Academic Success
- Good Character & Citizenship
- Healthy Lifestyles

Through these outcome areas, all Clubs provide over 40 program opportunities. These opportunities include staff-facilitated programs, partnership programs with the community, and field trips.

How to Apply for Memberships

Registering for Memberships

Families interested in the Boys & Girls Clubs of Barron County programs must fill out a membership application completely before membership becomes active. There are two options to complete a membership application:

- A physical application may be submitted. This form of application is available at all sites as well on our website at <https://www.bgcbarroncounty.org/>.
- Families may register for membership using the parent portal. This form of application is available on our website at <https://bgcbarroncounty.my.site.com/>.

Parent Portal

We now offer an online portal that allows families to be further connected and informed at our Clubs. This type of registration is highly recommended.

The Parent Portal allows:

1. Easier membership and program registration
2. Ability to register more than one Member at a time
3. Ability to setup auto-pay or pay-to-account
4. Notifications and reminders for upcoming payments
5. Ability to view the near real-time status of your child at the Club
6. Mobile/Tablet compatibility

Within the Parent Portal, one parent/guardian in each household will have an online account to manage their children's memberships. Other caregivers may be added to the child's account with permission from the primary contact.

One the website, there are tutorial videos on how to navigate the parent portal. We recommend all families to view these videos before registering members.

Membership & Capacity Limits

Each of our Club sites has a membership limit and a building capacity limit. If we have reached maximum membership capacity, we will place children on a waiting list and contact caregivers if space becomes available.

Children in certain high-need or emergency situations may be allowed to participate immediately.

Dress Code

Rules pertaining to appropriate Club member attire are necessary in order to maintain good decorum and a favorable youth developmental atmosphere. Appropriate dress is the responsibility of Club members and their parents/ guardians.

Club members are not permitted to wear clothing that is inappropriate for the Club setting; this includes, but is not limited to:

- Clothing that displays profanity, violence, is sexually aggressive, is offensive, promotes gang activity, or promotes alcohol, tobacco, or drug use. Club members wearing inappropriate clothing will be asked to change or turn their clothes inside out. Members who refuse to change or alter clothing deemed inappropriate will be sent home from the Club.
- Clothing must cover the torso from above the chest to mid-thigh; no items of clothing where undergarments are exposed are allowed.
- Clothing must be appropriate for current weather conditions as Club members could possibly be outside daily, if not multiple times a day.
 - Club staff may limit participation due to attire not meeting weather requirements.
- Weather appropriate Footwear must be worn at all times while at the Club.
 - Closed-toed shoes are strongly encouraged to protect feet during sports/ recreational activities.
 - Club staff may limit participation in programs due to footwear and attire.

Important Parent Information

As part of attending the Club during the school year, it is the member's responsibility to check in with staff and alert them that they have arrived at the Club from school.

During the Summer Program, parents must check their children in and out with a staff, and youth **are not allowed to do this independently**. This is important so that parents can be updated on resources, materials, and current events at the Club. This also gives parents an opportunity to stay up to date on permission slips, schedules, and changes in contact information.

For any of our programming, an authorized contact must come to pick up a member from the Club. The Club staff holds the right to ask for a form of identification to confirm authorization for member pick-up. If someone who is not authorized attempts to pick up a member, the primary contact will be called and asked to either confirm authorization or send someone else to pick up the child(ren). Children will not be released to anyone who is not authorized, as confirmed by a parent/guardian.

Late Pick Up

All Boys & Girls Clubs of Barron County locations require youth to be picked no later than 6:00 PM during the school year and 5:30 PM during the summer. It is the parent/guardian's responsibility to know the hours of operation of the Club site their children attend. If a club member is present 5

minutes or more after the Club closes, parent/ guardian/ emergency contacts will be called and issued a late pick-up notice. If 30 minutes pass and no pickup has been arranged, or the club member has not been picked up, local law enforcement will be contacted.

1st Late Pick-Up: Reminder letter of Club Hours and late fee charge

2nd Late Pick-Up: 1 - Day Membership suspension and late fee charge

3rd Late Pick Up: 3-Day Membership suspension, meeting with the Director of Operations, and late fee charge.

Late Fee Charges:

First offense: \$20 fee

Second offense: \$40 fee

Third offense: \$60 fee

Parents/Guardians Under the Influence

The safety of all Club members is our number one priority. This includes intervening when a parent or guardian presents unsafe circumstances. When Club staff suspect that a parent or guardian picking a child from any of our locations is under the influence of drugs or alcohol, these procedures will be followed.

1. The Site Director will be alerted that a parent/ guardian is under the influence and the child will not be released to the parent while the Site Director speaks with the parent/ guardian.
2. The Site Director will speak privately with the parent/ guardian in a separate room with the door open. The Site Director will explain the concerns regarding sending the child with someone who appears to be under the influence. They will call emergency contacts in an attempt to find someone else who can pick up the child.
 - a. If no one else can pick up the child, the local police department will be called, and the situation will be explained to see if they can take the child home or to a safe location.
3. If the Site Director is unable to detain the parent/ guardian and prevent them from taking the child, the police will be called and given a description of the vehicle and license plate number.

Lost and Found

The Club is not responsible for lost, stolen or damaged items.

- Club members are responsible for their personal belongings and should not bring expensive equipment such as electronics, jewelry, or any other items of value (ex: AirPods).
- The Club has a lost and found location near the front entrance.
- Lost and found items are kept between 2-3 weeks and then donated.
- We recommend writing your child's name on backpacks, outerwear, and other items of importance.

Inclement Weather & Emergency Closings

If the School District cancels school due to inclement weather or an emergency the Boys & Girls Club of Barron County will be closed as well. Parents will be notified through Facebook, Remind App, and email of these events

School Dismissed Early

If the school district closes early due to weather conditions or an emergency, the Boys & Girls Clubs of Barron County will open early that day to accommodate members. The Club will remain open for normal business hours.

Members will be bussed to their Club location from their allotted schools. We do recommend picking up your children as soon as you can on these days, as inclement weather can lead to poor road conditions.

The Club may determine, due to weather conditions, to close early or to not open that day, parents will be notified by Facebook, Remind App, and email.

Behavior Policies

Kind, Caring, and Respectful Behavior

While attending Boys & Girls Clubs of Barron County, all members are expected to show kind, caring, and respectful behavior to themselves, other members, Club, and Club staff. These expectations are threaded through all aspects of programming and will be provided as a constant reminder when participating in the Club.

Youth Development Strategy

Club programs and services promote and enhance the development of Club members by instilling:

- ***A Sense of Competence*** - The feeling there is something they can do, and do well.
- ***A Sense of Usefulness*** - The opportunity to do something of value for others.
- ***A Sense of Belonging*** - A setting where young people know they fit and are accepted fully for who they are.
- ***A Sense of Power or Influence*** - A chance for Club members to be heard and to influence decisions.

Positive Reinforcement

The Boys and Girls Club focuses on engaging Club members through positive reinforcement. The Club strives to provide the tools members need to show positive decision making, to show positive behavior towards themselves and others, and to try new things.

Members can also be selected as Member of the Month for going above and beyond expectations while attending.

Consequences/ Send-Home

The Boys & Girls Club offers a multitude of opportunities for members to appropriately meet their safety, belonging, freedom, fun, and personal needs. The Club attempts to create the conditions for members to try out new skills. Members are given opportunities to consider their actions, fix mistakes when they occur, and return to the group strengthened. To ensure that the Club remains a safe and positive learning environment for all members, each member receives three opportunities upon arriving at the club to show kind, caring, and respectful behavior.

Please talk directly with the Site Director of your child(rens) Club to be informed of the specifics of behavior expectations and disciplinary action.

In the event that your members need to be picked up due to behavior, you or another authorized contact must be **available within 30 minutes**. Failure to meet this requirement could result in suspension or removal from Club programming.

Bullying Policy

The Boys & Girls Club has adopted a zero-tolerance policy towards any form of bullying. This includes but is not limited to verbal, physical, cyber, and social bullying.

BGC strives to provide a safe, secure, and respectful environment during all activities, programs, and services offered. Bullying disrupts the Club's ability to empower all young people to reach their full potential as productive, caring, responsible citizens. It is the Club's expectation that its staff, volunteers, members, and parents/guardians observe this policy, and demonstrate appropriate behavior, treating others with civility and respect.

Bullying is defined as any willful, persistent, deliberate, or attempted act, through the use of words or actions, which are intended to cause physical injury, emotional distress, suffering of property damage, or which negatively impact the Club's ability to provide a safe and secure place for all members.

Bullying behavior can be (but is not limited to):

- Physical (e.g, assault, hitting, punching, kicking, theft)
- Verbal (e.g threatening or intimidating language, teasing or name-calling, racist remarks) between members and members, members and adults, adults and members, adults and adults.
- Indirect (e.g, spreading rumors, intimidation through gestures, social exclusion)

- Cyber Bullying; this includes but is not limited to the following misuses of technology: Harassment, teasing, intimidating, hurtful messages through email, social media pages, instant messages, and text messages, digital pictures or images.
 - Cyber Bullying is prohibited in the following settings and circumstances:
 - When accessed, created, or communicated using any Club own computer, digital technology, or system network.
 - When sent or passed through any type of non-Club owned technology, personal electronic devices pertain to Club, Club Staff, or Club members.

Addressing and Repairing Situations

Staff cannot be everywhere, but in cases where acts of bullying are witnessed or reported, either from the victim or a third-party, staff will immediately cease the situation, should the act be currently occurring. Then the staff will begin the process as noted below, if the bullying accusation is found accurate.

- In all cases or reported bullying - even before fact finding based on the allegations - The Club staff will attempt to sort out cases of bullying vs isolated cases of physical altercations, arguments, etc.
- In cases where alleged bullying behaviors are prolonged, continual, and/or combined with oral epithets, racial slurs, and other prohibited behavior, staff will define the situation as a bullying offense.
- The Club staff will intervene in all antisocial behavior that is brought to their attention or witnessed; redirection and discussion with each participant will occur.
- When bullying is witnessed or reported to a BGC employee or volunteer, the following will occur:
 - All care will be taken to immediately interrupt any activity or incident.
 - Employees will make an oral report to the Site Director (and Director of Operations as needed) within a day of the alleged incident. Fact-finding will occur. Then, the following steps will be taken.
 - Employees will submit a written report to the Site Director within 24 hours of the incident.
 - Promptly after receiving the report, the Site Director will complete an investigation.
- In rare situations where local authorities, school officials, or law officials must be brought into the situation, the Club will proactively involve the appropriate authorities.

Club members and their parents/ guardians are encouraged to report bullying as well. Reports of bullying may be made verbally or in writing and can also be made confidentially. There will be no retaliation against individuals making such reports. Individuals found to be engaging in retaliating behavior will be subject to disciplinary action.

Individuals who engage in bullying behavior will be in violation of this policy and will be subject to disciplinary measures as outlined in our Behavior Policy.

POSITIVE CLIMATE PHILOSOPHY & PROCEDURES

If your child is involved in a conflict or unsafe situation with another member or staff or has violated Boys & Girls Club rules, they will be approached in the following progressive manner:

- **Expectations, Rules, and Consequences**
 - Staff will review expectations, rules, and consequences for behavior and post these in their program areas.
- **Verbal Redirection/Coaching:**
 - Staff will use verbal redirection with youth when needed.
 - Staff will use proactive language when dealing with youth exhibiting unacceptable behavior.
- **Take a Break Space**
 - Youth may be asked to take a break from an area or activity. Examples of language used may include “Let’s take a break” or “How about we take some time to cool off.”
 - In the “take a break” space, youth will have intentional time to reflect on what they did and how they may do things differently next time.
 - In the “take a break” space, youth will have other calming tools that they can use to help regulate their emotions before returning back to the group.
- **Meeting with a Site Director and documentation of the incident.**
 - If the behavior continues or requires more serious intervention, your child will meet with the Site Director.
 - They will be asked, “Tell me what happened” / “What part are you responsible for?”
 - Members will be given the opportunity to discuss other possible choices and what they would likely choose to do in the future.
 - The staff will work with the member to create a plan to return to the activity.
 - The staff will document the intervention and have information available to share with parents/guardians.
- **A call home and/or short-term suspension:**
 - If the issue cannot be resolved in a meeting, or if it continues to occur, a call home may be made to discuss the conflict with you.
 - At the discretion of the Site Director and/or Director of Operations, a decision may be made to suspend your child from programming for one to five days, or limit the amount of time your child can be in the program.
- **A long-term suspension or revocation of membership:**
 - If continued intervention does not resolve the issue, or the behavior is so severe that it puts your child, other members, or staff in danger, the Site Director, Director of Operations, and/or Executive Director may decide to suspend your child’s membership long-term or revoke their membership until the behavior can be resolved to a degree that it no longer endangers your child, other members or staff.

SUSPENSION / TERMINATION OF MEMBERSHIP:

The Boys & Girls Clubs of Barron County seeks to make our programs a positive experience for your child, including coaching them through behavioral challenges and emotion control. If Club leadership feels that long-term suspension or termination of membership is the best option for your child, they will contact you to set up a meeting. Suspension or termination of membership may be considered for the following non-exhaustive list:

- Violent behavior that endangers your child, other members, staff, or volunteers.
- Unsafe behavior, such as running from a program.
- Disrespectful behavior.
- Continuous vulgar or abusive language that emotionally harms other members, staff, or volunteers.
- Not complying with rules that exist to keep your child and other members safe.
- Bringing a weapon or an item that could be construed as a weapon or threatening to bring a weapon to the program or onto Club or school property.
- Continuous bullying or cyberbullying that emotionally or physically hurts other members.
- Sexual harassment of other members, staff, or volunteers.
- Theft or damage of another member's property or Club property.
- Bringing illegal substances or alcohol into the program.
- Attending the program while under the influence of an illegal drug or alcohol.
- Any other reason deemed to be emotionally or physically dangerous to your child, other members, staff, or volunteers.

After each suspension, your child and you may be required to meet with Club leadership to discuss a re-entry plan to allow the member to attend programming. Developing a behavior plan allows you and your child to be an active participant in the success of your child's experience.

If your child continues to exhibit the behaviors listed above, despite guidance and coaching from staff, termination of their membership may be sought in order to keep the program a safe and affirming place for all of its members.

If Club leadership feels that termination of membership is the best option for your child, they will schedule a meeting with you and your child to discuss the concern. Club leadership has the final decision-making authority regarding the termination of memberships.

Caregiver Code of Conduct

The Boys & Girls Clubs of Barron County County is committed to providing a safe and supportive environment for your child. To ensure your child's development is met in a positive way, we require that you as the caregiver(s) agree to the following:

- **Support:** I will support the mission, goals, and values of the BGC and actively encourage my child to participate in programs and activities.

- **Safety:** I will prioritize the safety and well-being of all Club members and will comply with all safety protocols and procedures established by the BGC.

- Compliance: I will comply and make every effort to follow all policies and procedures as expressed in this handbook.

Should a caregiver violate the above guidelines, they may be prohibited from being present at Club programs or entering BGC facilities, whether owned by or used as part of BGC programs and services.

Supportive Membership Policy

The Boys & Girls Club prioritizes serving all eligible youth. While staff receive annual training on serving Club members, we recognize that some members may have needs beyond our scope of support. As inclusion is a core value of our organization, any youth who meets our membership requirements may participate so long as their participation doesn't negatively interfere with other Club members. We are under no obligation at Club sites to provide services to any child or family.

This includes, but is not limited to:

- One-on-one behavioral support
- Additional assistance for functional activities, such as bathroom usage or eating.
- IEP, 504, or Behavioral Interventional Plans.

Families with children requiring additional support are advised to consider the following:

- Be in regular communication with Club staff about the child's needs and behavior.
- Limit participation times to "off-peak" hours.
- Include Club staff in IEP and other support-focused documentation or meetings.
- Attend programming with their child.
 - Caregivers would need to complete a background check and training before participating in programming.
- Secure a trained, outside one-on-one assistant to attend programming with their child.

Site Directors reserve the right to make changes to a Club member's membership if their participation negatively affects other Club members or staff. The decision of the Club site may be appealed, first to the Director of Operations and then to the CEO. The decision of the CEO is considered final.

Private Agency

As a private organization, the Boys & Girls Club reserves the right to deem a child to have needs outside of what we are capable of providing service for and to deny or remove a child from programs.

Restroom Usage Policy

The Boys & Girls Club is committed to providing a safe environment and enforces the following restroom policy for members, staff, volunteers, and other adults.

Best practices used include:

- Prohibiting mixed age groups (children, teens, and adults) from sharing a restroom space.
- Limiting the number of people using the restroom at a time.
- Posting staff near restroom entries.
- Implementing a restroom inspection and monitoring schedules.

The Boys & Girls Club is committed to providing a safe environment and enforces the following restroom policy for members, staff, volunteers, and other adults. Restrooms shall be regularly monitored by designated staff at a schedule set by Club leadership. Monitoring includes walkthroughs and inspections set by Club leadership.

Staff Shall:

- Use separate bathrooms when possible. Should separate restrooms be unavailable, designated stalls shall be set aside for staff-only use. Staff will also attempt to use restrooms at times that they are not in member use.
- Abide by all staff codes of conduct.
- Enforce the BGC restroom Code of Conduct.
- Intervene and notify Club leadership should inappropriate conduct be observed.
- Ensure restrooms are regularly cleaned and sanitized.

Staff observing unacceptable restroom conditions shall:

- Immediately notify Club Leadership
- Document, in writing, restroom conduct incidents and report them to Club Leadership as soon as possible.

Sexual Abuse Prevention Policy

The Boys & Girls Club is committed to providing a safe and respectful environment for our members and will not tolerate any sexual abuse or misconduct towards or by any member. Sexual abuse and sexual misconduct shall be interpreted to mean any sexual interaction between a child and another person (including another child) in a position of power over the child. Specific acts include but are not limited to, inappropriate physical contact, viewing of pornography, exposing

oneself to another person, enticing others to expose themselves, inappropriate language, or any other behavior that is in violation of the BGC Behavior Policy or Employee Handbook.

Unless authorized in advance by a supervisor, adult staff and volunteers shall not:

- Initiate conversations with members about sexual matters. If a member initiates a conversation about sexual matters with a staff or volunteer, the adult shall limit the conversation to the child's immediate concerns and safety concerns for the child. The staff or volunteer shall then provide a written incident report to the supervisor within 24 hours.
- Engage in off-site activities with members. Such interactions may include, but are not limited to, meetings and communication through phone, text, and/or social media.

All persons are prohibited from the access, display, production, possession, or distribution of pornography on Club premises or equipment. Any suspected sexual abuse or misconduct will be treated as a serious matter and documented by a written incident report within 24 hours. When applicable, the incident will be reported to the appropriate authorities. The Director of Operations and Executive Director shall provide written directives to maintain the confidentiality of incident reports.

Illegal Activity

Zero Tolerance Policy

The Boys & Girls Club is committed to providing a safe place for youth of all ages. Aggressive and hostile behavior that is intentional (bullying) is not tolerated. No one shall threaten (verbally, nonverbally, or physically) the safety of another person.

Violence, defined as aggressive behavior which subjects a person to unwanted physical contact, is not tolerated. No one shall possess, use, threaten the use of, or store a weapon on Club property or at any Club event. Weapons include but are not limited to guns, knives, swords with blades, explosives, or any chemical whose purpose is to cause harm to people.

In the interest of a tobacco-free environment and in compliance with State Law, smoking and/or use of other tobacco products is prohibited on Club property or at Club-sponsored events. Substance abuse, which includes possession, use, or sale of illegal drugs or the unlawful use of lawful substances, including alcohol and prescription drugs, will not be tolerated on Club premises or at any Club-sponsored or Club-related functions.

Disability Inclusion Policy

Process to Provide Accommodations

The Boys & Girls Club welcomes all children and is committed to act in a non-discriminatory manner and to make reasonable accommodations to provide equal opportunity and service to individuals with disabilities and other complex needs.

- **Inclusive Environment**: The BGC staff will work with families to understand the special needs of children seeking accommodation and to identify modifications necessary to support the disability. Staff will work to integrate individual accommodations as safely and feasible as possible.
- **Staff training and Development**: Training and support is provided to ensure that staff are competent and can meet the developmental needs of Club members for which accommodation is being provided. Club staff will work with parents/ guardians to understand specific or individual needs, and to identify additional support and resources as necessary and/or appropriate.
- **Confidentiality**: Confidentiality applies to all verbal and written information about potential enrolling and previously enrolled children and their families. All staff and volunteers are trained on the need for confidentiality. Written records are stored in a secure location with limited access. No information subject to confidentiality is released without first receiving the written permission of the parent/ guardian. This excludes the responsibility of mandated reports of suspected child abuse and neglect as outlined by state law.

Factors to be considered include:

- Needs of the person with a disability
- Accommodation requested
- Supervision requirements
- Resources available to Club/Program
- Impact of Club policies (i.e, prohibition of 1:1 contact)

Health Policy

Drugs & Alcohol

The Boys & Girls Club is a tobacco, drug, and alcohol-free environment. Alcohol, non-prescription drugs, and any other substances that alter an individual's ability to function in the Club environment are strictly prohibited. Everyone is expected to report any smoking or drug use to Club staff

immediately. In the event of a drug or alcohol-related issue occurring on Club grounds or at a BGC-sponsored event, police and guardians will be notified, and appropriate actions will be taken to correct the situation.

Minor First Aid & Illness

Select BGC staff are CPR and First Aid certified and are permitted to administer bandaids, ice packs, bandages, and other first aid supplies. The club is not responsible for reactions or improper usage of sunscreen, insect repellent, or any items that are borrowed from or used by Club members. Parents/Guardians must advise the staff of any Club member's medical condition by **completing the medical information portion of the Membership Form**, and it is the parent/guardian's responsibility to update staff on medical conditions as needed.

In case of emergencies, parents/guardians and or emergency contacts will be notified as soon as possible. Any Club members who **stay home from school due to illness are not eligible to come** to the Club that day.

Parents/Guardians must notify the Club and keep children home when the child:

- Has had a fever of 100.4 degrees or more and should remain at home for the next 24 hours after the temperature returns to normal without medication to keep the temperature down.
- Has vomited or has had diarrhea and should remain home for 24 hours after it has stopped.
- Has a persistent cough
- Has any rash or fever
- Has open or draining skin sores
- Has inflamed or draining eyes or ears
- Have a contagious illness

Club members who develop symptoms of illness that prohibit them from Club activities or have a temperature reading of greater than 100.4 degrees at the Club **must be picked up within 30 minutes of notification and are not eligible to return to the Club for 24 hours.**

Caregivers can request additional information regarding the Healthy Policy by contacting the Director of Operations.

Medication

Medications should be administered at home whenever possible. Parents/ Guardians are urged to consult with the prescribing physician to determine if medication can be scheduled outside of Club hours. In the event this is not possible, designated staff will administer medication. The Club medication form must be filled out by a guardian to completion. You may request this form at your Site's front desk or from the Site Director. The prescription medication must be supplied in the

original pharmacy-labeled bottle with the Club member's name indicating the correct dosage and frequency of administration.

All medications will be stored in a secured/locked area at the Club, and medication will be documented each time it is administered. Medication not on record with staff found in Club member possession will be confiscated, and parents/ guardians will be notified. Unused portions of medication after the completion of the school year/ summer program or when discontinued will be disposed of after 7 days if not picked up by parent/guardian.

Parents/Guardians are responsible for ensuring a sufficient amount of supply is on hand at all times. Members will still be responsible for meeting behavior expectations while at the Club while taking medication.

Emergency Treatment

In the event of emergency injury or illness requiring immediate advanced medical treatment, the Boys & Girls Club staff will call 911 first. Parents/ Guardians will be contacted as soon as possible. Boys & Girls Club staff are not allowed to transport injured or severely ill Club members.

Lice, Ticks, Fleas

If a Club member is suspected of having head lice, they will be checked by the Site Director. If an active infestation of head lice is confirmed, the Site Director will contact the caregiver. The Club Member must be picked up within 30 minutes, and treatment info will be provided. If there are nits present (i.e., no active lice), the Club member may remain at the Club site. Families experiencing repeated outbreaks of head lice will be offered additional assistance through referrals to community partners.

If a Club member is suspected of having fleas, parents/guardians will be contacted, and pick-up will be required within the **30-minute time limit**. The member can return when the fleas are no longer present.

If a Club member is found to have a tick(s), parents/ guardians will be called to notify their primary contact. Staff will not attempt to remove ticks found; this is to ensure safe removal.

Reporting Procedures

The Boys & Girls Club strives to maintain a safe and secure environment for all Club members. We ask parents/ guardians and Club members to report any potentially dangerous situations to their Site Directors immediately. All reported situations will be investigated as soon as possible. If the complaint concerns the Site Director, the next level of authority, the Director of Operations, should be contacted. Reports of incidents warranting confidentiality will be handled appropriately, and information will be disclosed to others only on a need-to-know basis. If it is determined that a violation of this policy has occurred, the Boys and Girls Club will take appropriate action to help ensure the safety of all Club members.
